## Promote access to Destiny Discover

Destiny Discover makes it easy to help students and teachers find library resources from the places they go everyday.

<table>
<thead>
<tr>

<th>When to use</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Destiny Discover as your homepage</strong></td>
<td>In the library, do you have computers or devices students access? Set the browser homepage to go directly to your Destiny Discover homepage.</td>
</tr>
<tr>
<td><strong>Desktop shortcut</strong></td>
<td>Do you have school-issued tablets, desktops in the library, or computer labs? Work with your IT team to deploy Destiny Discover as a desktop shortcut.</td>
</tr>
<tr>
<td><strong>Link or widget on your school, library or class webpage</strong></td>
<td>Do your students and teachers frequently visit your school, library or a class webpage? Do they access a learning management system on a regular basis? A link or widget from those locations lets you guide students to the library catalog from a place they are used to accessing.</td>
</tr>
<tr>
<td><strong>Destinydiscover.com</strong></td>
<td>Guide students to an easy-to-remember URL, where they pick your school from a list to access the library catalog.</td>
</tr>
<tr>
<td><strong>Destiny Discover app</strong></td>
<td>The Destiny Discover app functions the same as the browser version. Work with your IT department to deploy it on school-owned tablets, and/or tell students it's available for download on their personal devices.</td>
</tr>
<tr>
<td><strong>Destiny Discover Google Chrome™ extension</strong></td>
<td>Where do students already go to search for information? Google! The Destiny Discover Google Chrome extension lets you see Destiny resources alongside Google search results (when you use the Chrome browser to perform a Google search). Encourage students to install the extension to make finding your valuable library resources as easy as a Google search.</td>

**Give access to Destiny Discover from a widget**

A Destiny Discover widget gives you access to Destiny via a webpage or learning management system in one of two ways:

- When you click a Badge widget, it takes you to the Destiny Discover homepage.

- Use a Search widget to put a Destiny Discover keyword search field right on any webpage. Enter a search to go directly to the Destiny Discover search results.
Notes:
- To access widgets, you need the access level permission, *Allow Follett Digital setup*.
- When you access Destiny Discover using a widget, you enter as a Guest. Once in Destiny Discover, you can log in.

To create a widget:
1. Go to the Destiny Discover homepage.
2. Select > Widgets.
3. To narrow your search by widget type or theme, use the filters.
4. Next to the widget you want to use, click **Customize and Get Code**.

5. If you are creating a Search widget, use the drop-down to select the type of resources you want the user to search: **All, Books, Digital** or **Databases**.

**Note:** The widget's search box shows if you are conducting a Books, Digital or Databases search.

6. To copy the HTML code, highlight the text and use your device's copy shortcut.
7. Do one of the following:
   - To return to the Browse Widgets page, click **Done**.
   - To return to the Destiny Discover homepage, click **Close**.
8. Use the code to add the widget to a webpage, LMS or portal.

**Note:** If you do not have access to add it to a webpage, LMS or portal, copy the code into an email or text editor to give to the webmaster or appropriate person.
Access Destiny Discover via DestinyDiscover.com

1. From any browser, go to destinydiscover.com.
2. In the School field, type the first few letters of your school's name. When your school appears in the suggestions, select it.
3. Click Go!
4. From the top toolbar, select Log In.
5. Type your Username and Password, and then click Login.

Download the Destiny Discover app

The Destiny Discover app gives you an additional entryway to Destiny Discover.

The Destiny Discover app is compatible with the following device operating systems:

- Kindle: 2nd, 3rd, 4th and 5th generation Kindle Fire devices (app can only be installed on 3rd, 4th and 5th generation devices via side-loading)
- Nook: Barnes & Noble Nook HD / Nook HD+ supported tablets and devices
**Destiny Discover - Promote Access**

- Mac OS X: Mac and Mac OS X-supported desktops and laptops
- Apple iOS: Apple iOS-supported phones and tablets
- Android: Android-supported phones and tablets

To download the app or see additional operating system and browser specifications, search for it in your device's app store.

To log in to the Destiny Discover app:
1. From your mobile device (phone, tablet, etc.), launch the Destiny Discover app.
2. Use the **Location** drop-down to select your state or province.
3. In the **School** field, type the first few letters of your school’s name. When your school appears in the suggestions, select it.

   **Note:** Steps 2 and 3 only need to be completed the first time you log in, or if you need to select a different school.

4. If you are logging in with a username and password on a private/safe/secure device and want to automatically log in next time you open the app, select **Remember me on this device**.

   **Note:** This step is required to access downloaded Follett eBooks and Follett Audiobooks when you are offline.

5. To log in with a username and password, tap **Log In**.

   **Note:** You can browse the Catalog by clicking **Browse as Guest**.

6. Type your **Username** and **Password**, and then tap **Submit**.

---

**Set up and install the Destiny Discover Google Chrome extension**

Install the Destiny Discover Google Chrome™ extension to see Destiny resources alongside Google search results when you use the Chrome browser to perform a Google search.

**To install Destiny Discover as a Google Chrome™ extension:**
1. From your Chrome browser, go to the Chrome Web Store (https://chrome.google.com/webstore/category/extensions), and search for the Destiny Discover extension.
2. Click **Add to Chrome**. A pop-up appears.
3. Read the pop-up, and then click **Add extension**. A Destiny Discover icon is added to the Google Chrome toolbar.

4. Configure the extension to search a specific school in your district by opening your school’s Destiny Discover homepage. An easy way to do that is via [destinydiscover.com](http://destinydiscover.com).

   **Note:** To see the school that is currently configured, from the Google Chrome toolbar, click ![icon](image)

5. **Use the Destiny Discover Google Chrome extension.**

   **Note to librarians:** To install the Destiny Discover Google Chrome extension, you must be on Destiny v13.5 AU1 or higher and have Destiny Discover configured for your school.

---

**Use the Destiny Discover Google Chrome Extension**

Once the Destiny Discover Google Chrome™ extension is set up, when you perform a Google search, you see Destiny Discover search results in a ribbon above the Google search results.
Do any of the following:

- Scroll through Destiny Discover resources using the forward and back arrows.
- Narrow your search to a specific material type using the Filter drop-down.
- Click **View More via Destiny Discover** to open the full Destiny Discover search results page.
- Click **hide/show** to collapse/display the Destiny Discover search results.

**Note:** To set whether Destiny Discover search results show or are collapsed with a new search, click ⚙ and then ⚙. From the "Starting search ribbon state" drop-down, select the view you want a new search results page to default to: **Show more**, **Show less** or **Remember last**.

In the search results, click a website search result image to open that site. For all other resources, click a search result image to open its Title Details page in Destiny Discover.

**Note to librarians:** Guest access to Destiny Discover is required.

**Share library resources with permalinks and QR codes**

Librarians and teachers can use permalinks and QR (Quick Response) codes to share a specific Title Details page.

For example, put a permalink on your library webpage to give students one-click access to a new book. Or, insert a QR code into a flyer, and post it in the school lobby. Students can scan the code with their mobile device to go directly to that item’s Title Details.

**Note:** To create a permalink or QR code, you must have the *Allow Follett Digital Setup* permission.
To access and copy a permalink or QR code to a resource:

1. From a title's details page, click the Share drop-down.

2. Use the following to choose what you want to do:

<table>
<thead>
<tr>
<th>If you want to...</th>
<th>Then...</th>
</tr>
</thead>
<tbody>
<tr>
<td>Share a permalink to a Title Details page</td>
<td>a. To copy the permalink text, click Copy.</td>
</tr>
<tr>
<td></td>
<td>b. Paste the permalink to the document or webpage.</td>
</tr>
<tr>
<td>Download a QR code</td>
<td>a. To save a file with the QR code image, click Download.</td>
</tr>
<tr>
<td></td>
<td>b. Insert the file into a document.</td>
</tr>
</tbody>
</table>

Note: Permalinks and QR codes are not available for One Search™, WebPath Express™ and Digital Resource Link resources.
