RILINK has received a $11,950 LSTA grant from OLIS for Project Read - FEED YOUR MIND AND YOUR HEART to:

- provide online access to eBooks with read-aloud functionality and digital audio books for K-12 students who have limited reading skills or are reluctant readers and do not qualify for materials and services to the blind and physically handicapped
- encourage parents, grandparents, teachers and other community members to share the reading experience
- make connections to books that can be read, shared and discussed by members of both groups through the use of social media, online library collections and classroom connections.

To find out more about the project, suggest a title to be shared, and view the suggested lists to date, see our web site at https://guides.rilink.org/READ.

This project was made possible in part by a grant from the RI Office of Library and Information Services using funds from the Institute of Museum and Library Services.
