Balancing Act: 
The Evolving Role of School Library Media Specialists

RILINK Summer Conference August 12, 2014 – Day 1

Presenters:
Mary Manning, Chariho Regional High School, mary.manning@chariho.k12.ri.us
Mary Moen, Chariho Regional High School, mary.moen@chariho.k12.ri.us

Discussion Activity:

1. Discuss ways that you are currently evolving your library program or your role as SLMS.

2. Think about some needs of your learners and/or school. Share them with your group and brainstorm ways your program or role can evolve to address these needs.

3. What initiatives are occurring in your school or district where you could take leadership? What impact would this have on your library program or role?

4. Based on the above, brainstorm some possible PGGs, SOOs, or SLOs that you might be able to use this year.
